

Dear Valued Customer,

We are excited to introduce **Standard Forwarding Freight, LLC**, the new name in dependable freight solutions. Backed by a leadership team with **expertise across all functional areas**, we are committed to delivering exceptional service and innovative solutions tailored to your needs.

While embracing the future, we remain deeply rooted in the proud heritage of Standard Forwarding, a name synonymous with reliability since 1934. This legacy inspires us as we enhance our operations to better serve you.

Our customer-focused network spans **IA, IL, IN, MN, and WI**, offering seamless connectivity and faster delivery times. With an asset-based fleet of 53' trailers for skidded, dock-to-dock shipments—and liftgate-equipped trailers arriving in 2025—we are prepared to handle your freight with care. Our **Chicago Cross Dock facility** ensures efficient consolidation and deconsolidation, while our brokerage services provide domestic and cross-border solutions, including FTL, LTL, intermodal, and specialized freight.

Customer Benefits Include:

- **Faster Delivery:** Overnight service to more direct points.
- **Minimal Handling:** More direct loading reduces defects and cargo claims.
- **Responsive Support:** Quick assistance with quotes, updates, and special requests.
- **Ease of Business:** Simple processes and real-time shipment visibility.

At Standard Forwarding Freight, **“Shipping Made Easy”** is more than just a tagline—it’s our commitment to you. We operate with integrity, transparency, and a customer-first mindset. Your success is our priority, and we are dedicated to providing reliable, flexible, and customized solutions for your needs.

Thank you for your trust in us. Together, we will build on our strong foundation and exceed your expectations at every turn.

Sincerely,

Tim McKinstry, President
